Welcome to the Windy City of Chicago, Illinois!

THE HILTON CHICAGO, CHICAGO, ILLINOIS
APRIL 14-18, 2013

AMERICAN SOCIETY OF PERIANESTHESIA NURSES
32nd NATIONAL CONFERENCE

ASPA\ and the Illinois Society of PeriAnesthesia Nurses (ILSPAN) are excited to welcome you to the 32nd National Conference at the historical Hilton Chicago. In addition to its famous food and shopping along The Magnificent Mile, “Chi-Town” has so much to offer and public transportation makes getting around town easy. Other local attractions include:

- Museums—Art Institute, Museum of Contemporary Art, Science and Industry, Field Museum, Children’s Museum
- The Architectural Cruise departing from Navy Pier—a must
- Extraordinary views from the Willis Tower or Hancock Observatory
- Walking or biking in Grant Park along Lake Michigan
- Lincoln Park Zoo, Brookfield Zoo and the Shedd Aquarium
- Sports—hockey, basketball and baseball teams are just minutes away

We welcome you to Chicago. Enjoy the conference and our beautiful city!
ASPAN’s 32nd National Conference, **Towering Opportunities—Endless Possibilities**, is planned and designed with you in mind! The national conference will provide you the opportunity to both network with peers, leaders and experts from diverse geographical and healthcare areas. You can also interact with leading industry vendor representatives to gain information and advice on new products and services for quality patient care.

**Purpose**
To enable the nurse to implement competent patient care in order to improve patient safety in the perianesthesia setting.

**Target Audience**
All professional nurses.

**Disclosure Statement**
All planners and presenters at nursing continuing education activities are required to disclose (1) any significant financial relationships with the manufacturer(s) of any commercial products, goods or services and (2) any unlabeled/unapproved uses of drugs or devices discussed in their presentations. Such disclosures will be made in writing in the course presentation materials.

**Overall Conference Objective**
- Discuss current information on pathologies, therapies, techniques and standards which contribute to safe, quality patient care in the perianesthesia setting.

**Reminder:**

**ASPAN Has Gone Green**
ASPAN has taken steps to make National Conference more environmentally friendly. Outlines will be available for downloading at the ASPAN Web site beginning March 14, 2013 through June 1, 2013. Attendees will have the capability to print the entire syllabus or only the sessions that are of interest to them, saving thousands of sheets of paper.

In addition, there are no session “handouts.” Speakers who wish to provide copies of their presentations will have their presentations available on the ASPAN Web site starting March 14, 2013. **Please note: it is the individual speaker’s decision to allow ASPAN to post his or her PowerPoint presentation on ASPAN’s Web site. Not all PowerPoint presentations will be posted.**

**Core Program**

**Contact Hours Available for Additional Fees:**
- Each Preconference Offering: 7.25
- CPAN®/CAPA® Celebration: 1.0
- Development Luncheon: 1.0
- Postconference Offering: 4.0

You have the opportunity to earn 30-40 contact hours during the week!

**Accreditation**
The American Society of PeriAnesthesia Nurses (ASPAN) is accredited as a provider of continuing nursing education by the American Nurses Credentialing Center’s Commission on Accreditation (ANCC- COA).

Accreditation does not imply that ASPAN or ANCC-COA approves or endorses any product included in this activity.

Additional ASPAN provider numbers: Alabama #ABNP0074; California Board of Registered Nursing Provider #CEP5197; Florida #50-114.

**Certification Information**
Conference participants are encouraged to stop by the CPAN® and CAPA® Certification Booth, located in the Exhibit Hall. CPAN® and CAPA® ribbons are available here. Members of the American Board of Perianesthesia Nursing Certification (ABPANC) Board of Directors and staff are available to answer all your questions about CPAN® and CAPA® certification, how to recertify and becoming a Certification Coach! In addition, tips for marketing your certification to patients, families and your employers will be given. New CPAN® and CAPA® certification-related products can also be purchased here.

Members of the ABPANC Board of Directors also offer sessions on Sunday, Monday and Tuesday about a myriad of certification topics, including: CPAN® and CAPA® Certification: Where Patient Needs Come First; Test-Taking Strategies; Benefits and Value of Being CPAN® and CAPA® Certified; What Employers Can Do to Recognize and Support Certified Staff; ABPANC Coaching: The Art of Leadership and Mentoring; and the annual Item Writing Workshop.

7:30 AM – 8:00 AM Preconference Registration
7:30 AM – 5:00 PM ASPAN Board of Directors Meeting
8:00 AM – 5:00 PM $ Preconference Offering – Effective Perianesthesia Care

This all day workshop will cover preanesthesia assessment and management. It will also include the special population needs of the elderly, pediatric, pregnant, obese and diabetic patient.

7:25 contact hours
Kim Litwack PhD RN APNP CPAN CAPA FAAN

SUNDAY, April 14, 2013

6:30 AM – 7:00 PM $ 18th Annual ASPAN Dream Walk
6:30 AM – 8:00 AM Credentials Desk Open
7:30 AM – 8:00 AM Preconference Registration
8:00 AM – 4:45 PM $ Preconference Offering – Perianesthesia Certification Review

Certification exams in one’s specialty reflect the critical thinking and care given to the patient in all phases of anesthesia. This session will present key topics essential for preparing the perianesthesia nurse for taking the CPAN® and CAPA® certification examinations.

7:25 contact hours
Lois Schick MN MBA RN CPAN CAPA

10:00 AM – 4:30 PM (002) Item Writing Workshop

Patricia Bouchard RN CPAN
Annette Brancati RN CPAN
Teresa Emmons MSN RN CPAN
Vonda Kay Fitch RN CPAN CAPA
Valerie Gillis MSN RN CPAN
Vita Greco MA

Do you want to make a significant contribution to your specialty? Do you want to showcase your commitment to foster excellence in perianesthesia nursing practice? This workshop is designed for the CPAN® and/or CAPA® certified nurse who is interested in learning how to write quality, reliable and valid multiple-choice items (exam questions) for possible use on the CPAN® and CAPA® certification examinations. This workshop also serves as a precursor to serving on the prestigious Item Writing/Review Committee. Also, you can become one of ABPANC’s new Cyber Writers – writing questions electronically.

Once you have completed this workshop, or the online training, you may earn up to 60 contact hours per recertification period for writing items (2 contact hours per question). Previous experience with writing questions is NOT required! This workshop also provides opportunities for networking with colleagues around the country regarding practice issues. Pre-register for this exciting workshop by calling ABPANC directly at 800-622-7262, pressing 2 to speak to Philip Godlewski, ABPANC Program Associate. Registration is limited so please call NOW!

Please note: If you hold either the CPAN® or CAPA® credential and you are planning to sit for the other exam within the next 12 months, you are not permitted to participate in this workshop.

(00) 5.5 contact hours

10:00 AM – 12:00 PM ABPANC Focus Group (by invitation only)
4:00 PM – 5:00 PM Host/Hostess Orientation (Repeat)
10:00 AM – 12:00 PM ABPANC Coaches Forum (Repeat) (by invitation only)
12:00 PM – 1:30 PM Component Presidents’ Luncheon (by invitation only)
1:00 PM – 3:00 PM ABPANC Focus Group (by invitation only)
5:15 PM – 6:15 PM First Timers Orientation
7:00 PM – 9:00 PM Component Night 2013

Hey, batter, batter….swing….oops, you missed! Or is your ball “nothing but net”? Chicagoans love sports whether its baseball, basketball, hockey, soccer or football. “Get Your Game On” at the 32nd National Conference Component Night. Cubs, Sox, Bulls, da Bears and others sports venues are throwing a fantastic party, so don’t come late and miss the first throw of the ball. Dress in your favorite sport’s jersey or just put on a cap. This party is guaranteed to be a swinging time of fun and a chance to catch up with old team mates (friends). You might even find yourself identifying with a new team “friend.”
CONFERENCE PROGRAM

MONDAY, April 15, 2013

7:00 AM – 5:30 PM  Registration Desk Open
7:00 AM – 8:00 AM  First Timers Orientation (Repeat)
7:00 AM – 8:00 AM  ASPAN Committee and Strategic Work Team (SWT) Meetings

This session allows the 2013-2014 Committee Chairs and SWT Coordinators to meet with appointed committee members. All ASPAN members assigned to committees or SWTs and attending conference are encouraged to attend.

9:00 AM – 10:15 AM  Opening Ceremonies
Processional, National Anthem, Welcome, Introduction of Guests and Awards
ASPN Presidential Address: "Towering Opportunities—Endless Possibilities"
Susan Carter BSN RN CPAN CAPA

10:30 AM – 12:00 PM  (003) Keynote Speaker
Humor: More Than a Laughing Matter
Jeanne Robertson is a funny speaker and she utilizes her positively funny style to illustrate how a sense of humor can be an integral part of the strategy for success. Her message is that sense of humor is an attitude and an approach toward working with people. She believes that this attitude can be developed and improved and she suggests ways to do so. Using original hilarious stories from everyday life, she will show us how to laugh at ourselves and accept the things that cannot be changed about us and the people around us. Six-foot-two Jeanne is a former teacher and is the recipient of every top honor in the speaking profession. You'll learn why audiences across the nation say, “The meeting ain’t over ’til the tall lady speaks.”

(OC) 1.5 contact hours
Jeanne Robertson CSP CPAE

12:15 PM – 2:15 PM  $ (004) CPAN®/CAPA® Celebration Luncheon
Friday’s Laws
Friday’s Laws are eight fundamentals of normal, effective thinking. These laws can help you improve what is good in your life and change what is not so good. Based on work with thousands of patients in well over 50,000 hours in clinical settings, Paul J. Friday examines how normal and not-so-normal people live side-by-side in an increasingly difficult world. The true battles in life are not between bosses and employees, or parents and children. Perpetual scrimmages occur in the gray matter between your ears. Friday’s Laws allows participants to understand how to become normal when they’re not and how to stay normal when they are. You may be surprised at how special “normal” actually is. It can allow you to win—in your career, in relationships and in life.

(OC) 1.0 contact hour
Paul J. Friday PhD

*Only CPAN® and CAPA® certified nurses may register for this luncheon

2:30 PM – 3:30 PM  Concurrent Sessions

(005) Perianesthesia Nursing Standards, Practice Recommendations and Interpretive Statements
This session will present a comprehensive review of the new ASPAN 2012 - 2014 Perianesthesia Nursing Standards, Practice Recommendations and Interpretive Statements.

(OC) 1.0 contact hour
Susan Russell BSN RN JD CPAN CAPA and Jennifer Allen MSQSM RN CPAN

(006) STOP—Bang Questionnaire: What Is It and How to Make It Work for You
This session will evaluate the STOP-Bang questionnaire and how to apply it in the preoperative clinic and in the postoperative area.

(OC) 1.0 contact hour
Frances Chung MD MBBS FRCPC

(007) Creating a New Paradigm for Treatment of Postoperative Nausea and Vomiting (PONV)
PONV management will be explored through the use of perioperative tools for preoperative risk assessment and postoperative treatment resources. The physiological basis of PONV, predictive factors, pharmaceutical agents (prophylactic/rescue) and non-pharmacological interventions will be explored.

(OC) 1.0 contact hour
Judith Kinnavy BSN RN CAPA

3:45 PM – 4:45 PM  (008) Test – Taking Strategies for Certification: Practice Makes Perfect!
Do you suffer from test anxiety? Has it been awhile since you have taken a high-stakes examination? This session will present strategies to enhance your test-taking ability for any examination, including the CPAN® and CAPA® certification exams. Information about the new online CPAN® and CAPA® Practice Examinations and taking the examination by computer will be given.

(OC) 1.0 contact hour
Annette Brancati RN CPAN and Tony Pridemore BSN RN CPAN

3:45 PM – 4:45 PM  (009) The History and Practice of Passing Gas
This session will review the history, definitions and specifics of agents utilized today to achieve general anesthesia.

(OC) 1.0 contact hour
Ori Gottlieb MD

3:45 PM – 4:45 PM  (010) Anesthesia, Nursing and OSA: Risk and Opportunity
This session will help you better understand the perioperative complications of patients with obstructive sleep apnea (OSA) to understand and to formulate a plan for management.

(OC) 1.0 contact hour
Frances Chung MD MBBS FRCPC

Towering Opportunities—Endless Possibilities

2:30 PM – 3:30 PM  Concurrent Sessions

(005) Perianesthesia Nursing Standards, Practice Recommendations and Interpretive Statements
This session will present a comprehensive review of the new ASPAN 2012 - 2014 Perianesthesia Nursing Standards, Practice Recommendations and Interpretive Statements.

(OC) 1.0 contact hour
Susan Russell BSN RN JD CPAN CAPA and Jennifer Allen MSQSM RN CPAN

(011) Acute Postoperative Pain Management

This session will describe a multimodal approach in the treatment of acute postoperative pain using pharmacological and non-pharmacological methods. Participants will be able to tailor pain management based on the needs of special populations (elderly, pediatric, opioid tolerant and obese patients).

(DC) 1.0 contact hour
Dalia Elmofty MD

5:00 PM – 7:30 PM
Exhibits Grand Opening

Come and mingle with the ASPAN exhibitors. This event is open to all full conference registrants and Monday daily attendees.

7:15 PM – 8:30 PM
(012) SPG Session–Geriatric
(Limited to SPG Members Only)

PTSD: Not Just in the Military

The elderly can suffer from post-traumatic stress disorder for a variety of reasons. This session will discuss causes, symptoms and treatments. It will also focus on how the elderly can be helped with this mental illness.

(DC) 1.0 contact hour
Joyce Hillman BSN RN CPAN CAPA

**Space is limited, meeting will follow educational session

(013) SPG Session – Informatics
(Limited to SPG Members Only)

Embrace your Informatics Side

A number of barriers prevent nurses from being able to respond effectively to rapidly-changing healthcare settings and an evolving healthcare system. These barriers need to be overcome to ensure that nurses are well positioned to lead change and advance healthcare. As meaningful use criteria evolve, it is essential that nurses be involved as key stakeholders in the implementation of electronic health records (EHRs) and telehealth technologies, especially in leading the planning, design, evaluation and optimization of health information technology. Discover the new role of nursing – nursing informatics.

(IC) 1.0 contact hour
Christol Anderson MA

**Space is limited, meeting will follow educational session

7:15 PM – 8:30 PM
(014) Research/EBP Oral Presentations

The oral research presentations represent completed perianesthesia nursing studies. Selected research studies will be presented by the primary investigators.

(IC) 1.25 contact hours

7:15 PM – 8:30 PM
(015) Celebrate Successful Practices Oral Presentations (Part 1)

In this session, selected members will present their successful perianesthesia practice, discuss the implementation and share results.

(IC) 1.25 contact hours

7:15 PM – 8:15 PM
(016) Speaker Development Presentation: Nurse Fatigue and Patient Safety: Danger, Danger, Will Robinson!

Evidence of the dangers of nurse fatigue to both patients and nurses will be discussed, along with contributing factors and practice recommendations for avoiding fatigue.

(IC) 1.0 contact hour
Debra Morgan BSN RN-BC CCRN CPAN

TUESDAY, April 16, 2013

7:00 AM – 8:00 AM
Research Poster Grand Rounds

7:00 AM – 8:00 AM
Celebrated Successful Practices Poster Grand Rounds

7:00 AM – 9:00 AM
Exhibits Open

7:30 AM – 5:30 PM
Registration Desk Open

9:00 AM – 11:45 AM
Concurrent Tracks

See pages 12-13 for schedule and 14-17 description

12:00 PM – 1:00 PM
(017) CPAN®/CAPA® Certification: Where Patients’ Needs Come First!

Are you considering taking the CPAN® or CAPA® certification examinations? Learn the process and how the CPAN® and CAPA® examinations focus on perianesthesia patients’ needs.

(IC) 1.0 contact hour
Deirdre Cronin BSN RN CPAN CAPA
Linda Lakdawala DNP RN CPAN

12:00 PM – 2:00 PM
Exhibits Open

12:15 PM – 1:15 PM
(018) ABPANC Coaching: The Art of Leadership and Mentoring

If you are able to speak passionately about the value of CPAN® and CAPA® certification and are willing to assist and encourage not-yet-certified colleagues in becoming certified, becoming an ABPANC Certification Coach is for you! In this presentation you will learn effective leadership and coaching strategies and identify the qualifications and key elements needed to be a successful coach!

(IC) 1.0 contact hour
Cheryl Coleman BSN RN CPAN
Laura Williams MSN RN CPAN
**Workplace Hostility and Violence: What You Can Do to Change Culture and Behaviors**

Workplace violence is seen in many areas of the hospital such as perioperative and emergency. Focusing on the pervasiveness of this problem and that it is commonly accepted as ‘normal’ will help us as nurse managers to identify behaviors and make changes towards a healthy work environment.

*(IC) 1.0 contact hour*

Ann Visscher MSN RN CPAN

**Space is limited, meeting will follow educational session**

**Pediatric Syndromes and their Conundrums**

This session will provide an overview of the most common (and some rare) pediatric syndromes and the complexities they present. Perioperative considerations, clinical implications and tips in managing their care will be provided.

*(DC) 1.0 contact hour*

Allan J.V. Cresencia MSN RN CPAN

**Space is limited, meeting will follow educational session**

**The Perianesthesia Story: One Nurse at a Time**

Nurses are encouraged to articulate the work they do, every day at the bedside, which profoundly impacts patient care and positive outcomes. Perianesthesia nurses make a difference: sharing the stories as anecdotes and exemplars fosters pride in practice and serves to recognize and reward the real work of nursing.

*(IC) 1.0 contact hour*

Maureen Iacono BSN RN CPAN

**Transitioning Student Nurses to RNs in the PACU**

When student nurses are hired one to two years prior to their planned graduation, they receive some valuable training to begin their path as successful PACU nurses. This concept has created a valuable teaching tool for the student nurse, who might then be selected to work in the PACU after graduation.

*(IC) 1.0 contact hour*

Tina Ayala-Bruder RN

**The Benefits and Value of Being CPAN® and CAPA® Certified : What Employers Can Do to Recognize and Support Certified Staff**

This presentation will focus on best practices employers use across the country to recognize and support certified nursing staff. In addition, research studies identifying the value placed on nursing certification by managers will be discussed. Strategies for certified nurses to use to effectively promote themselves to employers, patients and families will be described.

*(IC) 1.0 contact hour*

Bonnie Niebuhr MS RN CAE and Kathy Paskewitz RN CPAN
CONFERENCE PROGRAM

THURSDAY, April 18, 2013

6:45 AM – 12:00 PM  Registration Desk Open

7:00 AM – 8:00 AM  Closing Breakfast

Open to all full conference registrants at no additional cost. You must register on page 24. You will not be admitted without a ticket.

8:00 AM – 8:45 AM  Closing Ceremonies:

Installation of ASPAN Officers
Presidential Address:
Twilla Shrout BSN MBA RN CPAN CAPA

8:45 AM – 9:00 AM  Preview to 2014 Conference

9:00 AM – 11:00 AM  Closing Address

(030) Great Service Starts With Attitude!
Get ready to laugh, learn and be inspired! This motivational, humorous and high-energy message is sure to re-fuel, recharge and reenergize you while reminding you of the importance of attitude and how it really influences the success of an organization and an individual.

(IC) 1.5 contact hours
James Malinchak

11:45 AM – 12:15 PM  Postconference Registration

12:15 PM – 4:45 PM  Postconference- Pharmacology Topics

This program will discuss general principles for stopping or continuing medications before and after surgery. The review of the newer anticoagulants and review of new analgesic agents used in the perioperative period, opioid safety and the role of pharmacogenetics. The concerns and challenges of polypharmacy in the elderly person will also be discussed.

4.0 contact hours
Julie Golombiewski PharmD

2:15 PM – 5:00 PM  Concurrent Tracks
See pages 12-13 for schedule and 14-17 for descriptions

5:15 PM – 7:00 PM
(026) SPG Session- Preop Assessment
(Limited to SPG Members Only)

Hot Topics in Preoperative Assessment
This session will look at the impact of utilizing a standardized Pre-assessment Testing tool for patient preparation and education for surgery.

(IC) 1.0 contact hour
Susan Norris BScN RN CAPA

**Space is limited, meeting will follow educational session

(027) SPG Session - Pain Management
(Limited to SPG Members Only)

Multimodal Pain Management
This session will present key aspects of multi-modal pain management.

(DC) 1.0 contact hour
Lora McGuire MS RN

**Space is limited, meeting will follow educational session

5:30 PM – 7:00 PM
(028) Education Approver Secrets Unveiled: How Do You Do That Application for Contact Hours?

This session will review the current ANCC-COA requirements for nursing continuing education. The process for applying through the ASPAN approver unit for contact hours will also be presented.

(IC) 1.5 contact hours
Linda Wilson PhD RN CPAN CAPA BC CNE and Lynn Sekeres MSN RN CRN CPAN

5:30 PM – 6:45 PM
(029) Celebrate Successful Practices Oral Presentations (Part 2)

In this session, selected members will present their successful perianesthesia practice, discuss the implementation and share results.

(IC) 1.25 contact hours

7:00 PM – 8:00 PM  Reception for Military and International Attendees

6:45 AM – 12:00 PM
7:00 AM – 8:00 AM
8:00 AM – 8:45 AM
8:45 AM – 9:00 AM
9:00 AM – 11:00 AM

12:00 PM – 2:00 PM: DEVELOPMENT LUNCHEON
CONFERENCE COURSES DETAILED

TUESDAY, April 16, 2013

9:00 AM – 10:15 AM

#101 Vision Loss as a Complication of Non-Ophthalmic Surgery
This session will present the major risk factors and the most common causes of postoperative vision loss (POVL). Emphasis will be placed also on the preoperative and postoperative assessment of patients who are at risk for POVL. Strategies to minimize POVL will also be presented.
(DC) 1.25 contact hours
Navaneet Borsouth MD PhD

#201 Emergence Delirium and Drugs
Emergence delirium occurs postoperatively for many different reasons. Through the use of case studies, this session will present techniques to prevent and treat emergence delirium.
(DC) 1.25 contact hours
Lois Schick MN MBA RN CPAN CAPA

#301 Management of Neurosurgical Devices in the Preoperative Setting and PACU
This session will present the disease entities, pathophysiological processes and treatment paradigms that result in neurological implantation of devices affecting the nervous system, such as vagal nerve stimulators, intrathecal medication pumps and deep brain stimulators. Preoperative and postoperative device management in the preanesthesia and postanesthesia care units will be reviewed in detail.
(DC) 1.25 contact hours
David Frim MD PhD and Judie Holleman MSN RN PNP-BC

#401 The Longest 17 Minutes of My Life: Malignant Hyperthermia in a Pediatric Patient
This session will include an overview of malignant hyperthermia. An actual pediatric case will be presented. Do you think it won’t happen to you? Think again.
(DC) 1.25 contact hours
Teresa Passig BSN RN CPAN CAPA CCRN

#501 The Impact of Healthcare Reform on Nursing Practice
This session will present the Patient Protection and Affordable Care Act (PPACA) and its focus on the healthcare reform that will affect most clinical practice areas in the hospital. The increased demands and timelines have made hospitals and management teams focus more on improving quality and increasing patient satisfaction through Hospital Consumer Assessment of Healthcare Providers and Systems (HCAHPS). Performance expectations and higher demands for all employees will be expected in this fast paced driven environment.
(IC) 1.25 contact hours
Pamela Windle MS RN NE-BC CPAN CAPA FAAN

10:30 AM – 11:45 AM

#102 Management of Diabetes Mellitus in the Perianesthesia Setting
With the increasing rates of diabetes mellitus comes the need for perianesthesia nurses to understand this chronic condition. This presentation will include information on Type I and II diabetes, the importance of close glucose control in the perianesthesia setting and proper management of diabetes in our setting. This session will also present a program where bedside nurses are empowered to serve as experts for their peers and patients in the perianesthesia setting.
(DC) 1.25 contact hours
Carol Pehotsky MSN RN ACNS-BC CPAN and Jillian Fetzner BSN RN

#202 Pulmonary Edema in the Perianesthesia Setting
Pulmonary edema in different forms through the use of case studies will be presented. This presentation will also differentiate between the types of pulmonary edema: cardiogenic vs. noncardiogenic.
(DC) 1.25 contact hours
Lois Schick MN MBA RN CPAN CAPA

#302 To Drain or Not to Drain: Cerebral Spinal Fluid
This session will present cerebral spinal fluid (CSF) dynamics, indications for the placement of a CSF device (ventricular or lumbar), such as hydrocephalus, and care of external and implanted CSF management devices in the preop and postanesthesia care units.
(DC) 1.25 contact hours
David Frim MD PhD and Judie Holleman MSN RN PNP-BC

#402 Care of the Pediatric Trauma Patient
Assessment, recognition and management of the treatment goals in pediatric trauma patients will be presented. Shock syndromes must be identified quickly in these vulnerable patients while in the PACU. Learn the principles of trauma resuscitation in these complex high acuity children.
(DC) 1.25 contact hours
Myrna Mamaril MS RN CPAN CAPA FAAN

#502 Evaluating RN Performance: Rewarding What Employees Deserve and What Matters
The rapid, ever-changing future continues to increase the demands of the registered nurse (RN). Performance expectations for staff nurses and nurse leaders are measured by accomplishing the set data driven goals. This presentation will provide strategies to evaluate RN performance and promote accountability, ownership and professional development in this high demanding environment.
(IC) 1.25 contact hours
Pamela Windle MS RN NE-BC CPAN CAPA FAAN

#602 Adverse Drug Events: Why They Happen and How to Prevent Them
Adverse drug events contribute to increased lengths of stay, actual or potential patient harm and erode patients’ confidence that a hospital is a safe place for them to receive their medical care. This presentation will review background data as published by the Institute of Medicine, present real-life adverse drug events in the perianesthesia setting, identify how these events happened and suggest strategies to prevent them.
(DC) 1.25 contact hours
Maureen McLaughlin MS RN CPAN CAPA
#103 Little Needles, Big Fears
The placement of an intravenous (IV) line for surgery, although a routine procedure in the perianesthesia setting, is potentially traumatic for patients. This session will provide a review of evidence to date on needle phobia and share results of the use of an “Intravenous Placement Information Sheet” with preoperative patients. The Intravenous Placement Information Sheet is used to include and empower the patient prior to surgery to reduce the anticipatory anxiety associated with venipuncture.

(DC) 1.25 contact hours
Maureen Schnur MS RN CPAN

#203 Immune Misfire: Autoimmunity and Immune Mediated Inflammatory Disease
The incidence of Autoimmune and Immune Mediated Inflammatory Diseases (IMID) is on the rise and may result in a patient presenting for surgery at significant risk for postoperative infection. This session will present normal inflammation and immune function and the abnormalities associated with autoimmune and IMID disease. Pharmacologic disorder management and the application to the perianesthesia patient will also be presented.

(DC) 1.25 contact hours
Kim Noble PhD RN CPAN

#303 Stimulating the Brain: Surgery for Parkinson’s Disease
This session will discuss the indications for surgical intervention for patients with Parkinson’s disease with a review of the surgical technique and specifics relating to perianesthesia care preoperatively and postoperatively.

(DC) 1.25 contact hours
Taras Masnyk MD PhD

#403 Obstructive Sleep Apnea in Children
This session will present the pathophysiology, the clinical presentation and diagnosis of children with obstructive sleep apnea. Detail treatment strategies with some focus on perioperative recovery in the PACU will also be presented.

(DC) 1.25 contact hours
Fuad M. Baroody MD FACS

#503 Caring for the Overflow Patients in your PACU: Strategies for Success
Many PACUs are increasingly caring for critically ill and/or medical surgical patients for extended periods of time, including overnight stays. This session will present recommendations for the care of overflow patients as cited in the ASPAN Standards and Practice Recommendations as well as strategies for successful integration with the reality of day to day life in the PACU.

(DC) 1.25 contact hours
Maureen McLaughlin MS RN CPAN CAPA

#603 Patient Safety After Ambulatory Surgery
Today’s patient population has created an environment of increased risk and liability in the outpatient setting. The goal of this lecture is to help identify high risk patient groups and establish methods/practices to minimize risk following outpatient surgery.

(DC) 1.25 contact hours
Lisa Martin BSN MA RN CPAN
CONFERENCE COURSES DETAILED

WEDNESDAY, April 17, 2013

9:00 AM – 10:15 AM

#105 Interventional Procedures: Best Practices to Avoid Complications
Patients undergoing interventional procedures come to the PACU for postprocedure, postsedation care before being admitted or being discharged. The major complications that can occur include contrast induced nephropathy (CIN), radiation injury and vascular injury related to arterial access sites. This presentation will cover a review of the literature identifying best practice and how you might see this practice in your PACU.

(DC) 1.25 contact hours
Marcia Bixby MSN RN CCRN APRN-BC

#205 Nursing and the Use of Electronic Media, Liability and Facebook
We live in a digital world and the perioperative theatre is just a microcosm of that world. From Facebook to Twitter, mobile phone cameras to facility marketing departments, we must conform our practices with a unique sensitivity to the digital demands and opportunities presented in and around the surgical workplace. This session will provide you with an understanding of the benefits of the digital world, the precautions to be taken in the digital world and will briefly discuss the role of the electronic healthcare record in the perioperative theatre.

(IC) 1.25 contact hours
James Bream JD

#305 Care of the Bariatric Patient
This lecture will present the incidence, physiology and implications of obesity in the surgical patient population. In addition, several common bariatric procedures with case presentations will be presented.

(DC) 1.25 contact hours
Theresa Clifford MSN RN CPAN

#405 Perianesthesia Nursing Quality Indicators: Can We Name What We Do and Measure Outcomes?
Use of the electronic health record (EHR) has produced data associated with patient care and outcomes. With this data, we can examine the impact perianesthesia nursing has on patient outcomes. We need to identify outcomes to identify quality indicators. This session will present moving from collecting data to using data to change and improve perianesthesia nursing practice and the development of perianesthesia specific nursing quality outcome indicators.

(IC) 1.25 contact hours
Denise O’Brien DNP RN ACNS-BC CPAN CAPA FAAN

#505 Preoperative Assessment Criteria and Patient Education
A collaborative approach to preoperative assessment is presented in this lecture. Evidence-based rationales for preop assessment criteria will be presented along with how to link the assessment and patient education to improve surgical outcomes, patient satisfaction and minimize surgical delays or cancellations on the day of surgery.

(DC) 1.25 contact hours
Deborah Melle BS RN

#605 The Aching Heart of the Perianesthesia Patient with Acute Coronary Syndrome (ACS)
This session will present the pathophysiology of ACS, the difference between ST depression and ST elevation, the different types of myocardial infarctions, potential complications of conduction disturbances and management using a case study approach.

(DC) 1.25 contact hours
Wanda Rodriguez MA RN CCRN CPAN

10:30 AM – 11:45 AM

#106 Caring for the Pregnant Patient in Perianesthesia: The 2 for 1 Deal!
When a pregnant patient arrives in the preanesthesia department, the perianesthesia nurse needs to be knowledgeable concerning the physiological changes and how this alters the nursing assessment, planning and implementation of nursing care preanesthesia and postanesthesia. This session will review current guidelines for care and use case presentations to illustrate a holistic preanesthesia and postanesthesia plan of care for the pregnant/postpartum.

(DC) 1.25 contact hours
Melanie Chichester BSN RNCP-OB

#206 Block Me: Peripheral Nerve Blocks in the Upper Extremities
Peripheral nerve blocks are used as part of the multimodal approach to pain management in the surgical patient. The purpose of this session is to describe the types and assessment of peripheral nerve blocks in the perianesthesia setting.

(DC) 1.25 contact hours
Barbara Krumbach MSN RN CNS CPAN CCRN

#306 Perianesthesia Neurological Assessment: It's Not Just for Cranis Anymore
Stroke is a risk associated with general anesthesia. In the past, neurological assessment in the PACU focused on those patients who have undergone major neurological procedures. Risk for stroke is real and can occur in patients who have all types of procedures. This session will present the risks for stroke associated with anesthesia, components of the perianesthesia neurological assessment and incorporating the assessment into your everyday perianesthesia practice.

(DC) 1.25 contact hours
Denise O’Brien DNP RN ACNS-BC CPAN CAPA FAAN

#406 Five Steps to Evidence-Based Practice
This session will introduce participants to the five steps of evidence-based practice (EBP) and highlight how research databases can be used in the process of using the best available evidence at the point of care.

(IC) 1.25 contact hours
Daphne Stannard PhD RN CCRN CCNS FCCM

#506 Improving Care for Patients Receiving Intravesical Mitomycin
The use of intravesical mitomycin for the treatment of bladder cancer has long been practiced. Time constraints have moved administration from the OR to the PACU. The development of a multiprofessional guideline for the administration of mitomycin in the PACU ensuring the safety of the staff and patients will be reviewed.

(DC) 1.25 contact hours
Marianne McAuliffe MSN RN

#606 Ketamine: Past, Present and Future
Throughout the years, the use of ketamine has evolved. In this session the use of ketamine as a component of anesthesia, its role in chronic pain management and other newer uses will be presented.

(DC) 1.25 contact hours
Nancy Strzyzewski MSN RN CPAN CAPA
#207 Using Capnography to Improve Patient Safety

A large midwestern hospital discovered a high rate of naloxone rescues in patients receiving patient controlled analgesia (PCA), which led to the introduction of capnography monitoring for all patients using PCAs and a marked decrease in rescues. This lecture describes the premise for the change, reviews the process of the change and the importance of nursing advocacy for patient safety and reviews the essentials of capnography.

(DC) 1.25 contact hours
Kim Kraft BSN RN CPAN

#307 Oh No! Look at this EKG Strip - Is the Pacemaker Malfunctioning?

This session will present indications for cardiac pacing, potential pacemaker malfunctions, normal and abnormal pacemaker EKG strips using a case study approach.

(DC) 1.25 contact hours
Wanda Rodriguez MA RN CCRN CPAN

#407 Moving Beyond the Abstract: Critically Appraising the Literature

The process for reviewing research articles and putting evidence into action is presented in this lecture.

(IC) 1.25 contact hours
Daphne Stannard PhD RN CCRN CCNS FCCM

#507 Preoperative Assessment and Care of Patients with Special Needs

This session will present the preoperative assessment of special populations including the geriatric, pediatric and mentally and physically challenged patients.

(DC) 1.25 contact hours
Deborah Melle BS RN

#607 Stayin’ Alive: Cardiac Rhythm Management Devices (CRMD) in the Perianesthesia Setting

Perioperative management of patients with cardiac rhythm management devices (CRMD) that are seen in the perianesthesia setting will be presented in this session.

(DC) 1.25 contact hours
Barbara Krumbach MSN RN CNS CPAN CCRN

#208 Electronic Health Record Redesign for Perianesthesia Care

An overview of how perianesthesia nurses can be a part of the electronic health record (EHR) redesign process. Design principles and theory will be discussed along with practical, organizational, logistical and technical issues.

(IC) 1.25 contact hour
Matthew Byrne PhD RN CPAN

#408 Practical Intelligence: Thinking about Thinking

This session invites attendees to consider the wide range of styles of processing information and ways to ‘think outside the box’—the difference between ‘intelligence’ and ‘being smart’! The evolution and maintenance of the hardware and software needed for creative thinking will also be explored. This information is helpful when problem solving as well as for facilitating group process.

(IC) 1.25 contact hours
Theresa Clifford MSN RN CPAN

#508 Tornado: Adapting and Transforming PACU During a Natural Disaster

A personal depiction of events before, during and after a major tornado event and the impact on the PACU at a major university hospital is presented in this session. Information will be provided to assess individualized hospital PACU readiness and how to improve disaster plans.

(DO) 1.25 contact hours
O. Larry Alred BSN RN

#608 Transvaginal Surgery for Urinary Incontinence: What’s Important in Perianesthesia Care

Approximately 10-30% of women under age 60 have urinary incontinence issues. Minimally invasive surgical procedures are the most effective treatment for long term success. Perioperative care of patients undergoing sling procedures will be reviewed as well as best practice in caring for these patients.

(DO) 1.25 contact hours
Marianne McAuliffe MSN RN
SUNDAY, APRIL 14, 2013

Help support ASPAN by participating in the annual Development Dream Walk. This is a great opportunity to take an early morning stroll with colleagues and raise money for important ASPAN programs. The walk offers something for everyone attending the National Conference as well as for those who are unable to be present. Encourage others to sponsor you and use the enclosed Dream Walk Sponsor Form to record their level of support. ASPAN components will again compete for the greatest number of registered walkers and for total money raised. Additionally, the “Dream Walker” award will be given to the individual recruiting the most sponsor dollars.

Teams Work!

Obtaining sponsorships for the Dream Walk is easier than you may think. Simply ask family, friends and colleagues to support your efforts. The money raised will be used to fund the following ASPAN programs:

Scholarships
• to pursue advanced degrees
• to achieve certification
• to pursue educational opportunities
• to support leadership development
• to support humanitarian missions

Awards
• to recognize nursing achievements
• to reward individual accomplishments

Public Awareness and Education
• to provide public education campaigns
• to promote public recognition and awareness

REGISTRATION INFORMATION

If you are attending the Dream Walk:
1. Complete the National Conference registration form on page 24 and mark the box for Dream Walk registration.
2. Include a $25.00 early bird registration fee, per walker, to reserve your spot.
3. Mail your National Conference registration form with your check (made payable to ASPAN) or credit card information.
4. Once you have approached family, friends and colleagues and collected your pledges, send them with the Dream Walk Sponsor Form to ASPAN’s National Office. Contributions will also be accepted at the Dream Walk.

If you are unable to attend the Walk, but want to participate:
1. Recruit your sponsors.
2. Enclose your completed Sponsor Form along with the pledges you have collected.
3. Mail your Sponsor Form and contributions to the National Office by March 1.
DREAM WALK SPONSOR FORM

Help us reach our goal of $100 minimum per walker!

And The Dream Walk Winner Is…

National Recognition of Top Fundraising Components

• The component raising the highest monetary amount and the component with the highest number of walkers, will be recognized.
• The individual with the most dollars raised will be recognized.
• Certificates will be awarded during the ASPAN Development Luncheon on Wednesday, April 17, 2013.
• Photocopy the sponsorship form for additional sponsors or other walkers as needed, or call the ASPAN National Office for additional forms. You can also download the sponsorship form from the ASPAN Web site at www.aspan.org.

Hotel Accommodations and Conference Location
The Hilton Chicago is the conference hotel for ASPAN’s 32nd National Conference and it offers the perfect location for your visit to Chicago.

Making Your Hotel Reservation
A personalized Web site for ASPAN’s National Conference occurring April 14, 2013 - April 18, 2013 has been created for you.

Making your room reservation is quick and easy: visit the ASPAN Web site at www.aspan.org and click on the reservation link on the ASPAN Conference page.

You will need to provide a credit card for a one night room and tax deposit. If, for some reason, you need to cancel your reservation, your deposit is fully refundable until 72 hours prior to your check-in date.

Rates are $225 for a single room (one person) or $245 for a double room (two people). Upgraded room types are available if preferred.

You can also make a room reservation by calling 877-865-5320 and giving them the ASPAN Group Code (ANE).

In order to receive the special ASPAN room rate, please make reservations by Monday, March 11, 2013.

Hilton Chicago Hotel
720 S. Michigan Ave.
Chicago, IL 60605
Phone: 877-865-5320

Air Travel
Traveling to the Conference by air? Chicago offers two airports, O’Hare and Midway. Both airports are conveniently located near downtown Chicago and serviced by all major air carriers.

Ground Transportation
Airport Express is located right inside both airports. Their link is attached for your convenience to view rates and information.

This is the link to Airport Express:
http://www.airportexpress.com/

Chicago L (Subway) Instructions from Chicago Airports to Hilton Chicago Hotel

From O’Hare International Airport
Follow signs from Baggage Claim for CTA. Take the Blue Line from the Lower Level. Take Blue Line to JACKSON. At JACKSON use underground tunnel to connect to Red Line. Ride Red Line one stop south in direction 95th St/ Dan Ryan to HARRISON. Exit HARRISON onto STATE ST. Walk south (keep parking lots on your left side) on STATE ST to BALBO and take a left. Hotel entrance is one block east on the corner of BALBO and WABASH.

From Midway Airport
Follow sign from Baggage Claim for CTA. You will be walking through the parking garage to get to train stop. Take Orange Line from Airport. Exit at ROOSEVELT. This will place you at ROOSEVELT and WABASH. Walk north (keeping train tracks on your left side) on WABASH approximately five blocks to 8th St. There is an entrance to the hotel facing 8th St.

Currently the one-way fare for CTA is $2.25. There is no additional cost to transfer from Blue Line to Red Line at Jackson St.

Fares are subject to change at CTA’s discretion.

This is the link to the Chicago L:
http://www.chicago-l.org/index.html
GENERAL INFORMATION

Attire
Business attire is appropriate for the 32nd National Conference in Chicago, including all educational sessions, exhibits, breakfasts and luncheons. Party attire is requested for the President's Reception on Tuesday, April 16th. Casual wear is expected for Component Night. April in Chicago brings an average high of 57 degrees and an average low of 39 degrees. ***Reminder: the meeting rooms will be set at 68 degrees. Please dress in layers for your personal comfort.

Ticketed Seating
Seating for all educational sessions will be ticketed and is on a first come, first served basis. You are encouraged to register early for those sessions you wish to attend. You must present your tickets when you arrive at each event. You will not be admitted without a ticket. If you are late for a session you may lose your seat. If you wish to attend the closing breakfast, you must register or you will not be admitted.

Volunteers
Host/Hostess
If you wish to volunteer while at the National Conference you can become a host/hostess. Contact Linda Beagley 630-351-6001 or beagley@ameritech.net. You will be compensated for your work as a host/hostess.

Session Moderator
If you want to know more about becoming a moderator contact Terri Passig 407-405-5110 or passig01@aol.com.

Parking at the Hilton Chicago
Self-parking at the hotel is $45.00 per night and valet parking is $57.00 per night.

Guests staying overnight at the hotel pay this rate per day with in and out privileges. Please see the ASPAN Web site for other parking rates.

**Please note: all parking fees are subject to change without notice. ASPAN is not responsible if prices or rules are changed.

Full Registration Includes:
- Comprehensive syllabus, online access to session handouts, all main conference educational sessions, exhibit sessions, component night, president’s reception and closing breakfast.

Daily Registration Includes:
- Comprehensive syllabus, online access to session handouts, educational sessions for that specific day, and all events for that day that do not require an additional fee.

For Special Assistance
Contact: ASPAN
877-737-9696
90 Frontage Road
Fax 856 616-9601
Cherry Hill, NJ 08034-1424

Room Sharing
Will You Need a Roommate at National Conference?
Are you looking for a way to come to Conference, but don’t have anyone to share a hotel room with? Not a problem! Simply submit your name to be included on the “Willingness to Share a Room” list. The room sharing list will be distributed to all those who have asked to be included. It will then be your responsibility to directly contact others on the list to coordinate room sharing arrangements and make your own hotel reservation.

The following information is required in order to be included on the list: Your full name, complete mailing address, email address, home and work telephone numbers and fax number, if applicable. Please indicate how you would prefer to be contacted. Provide any information which will help you and a potential roommate determine compatibility. All information must be received no later than February 8, 2013. The list will be distributed in the middle of February.

Please mail, or email your request to:
Jane Reinschmidt
2117 Lake Shore Circle
Arlington Heights, IL 60004
Email: jane280@comcast.net

The hotel room reservation deadline at the Hilton Chicago is March 11, 2013. Reservations made beyond this date are based upon a space and rate availability basis only.
CONFERENCE REGISTRATION FORM

Towering Opportunities—Endless Possibilities

Registration Form – Complete Both Sides

PRINT OR TYPE. Use a separate form for each registrant. Duplicate as necessary.
INCOMPLETE OR ILLEGIBLE forms WILL BE RETURNED.

Payment must accompany registration form.
